RE: Case 13-T-0538 - Application of Williams Field Services Company, LLC and DMP New York, Inc. for a Certificate of Environmental Compatibility and Public Need Pursuant to Article VII to Construct an Approximately 9.5 Mile Natural Gas Gathering Pipeline in the Town of Windsor, Broome County.

Dear Mr. Laniado:

This is to inform you that the application of Williams Field Services Company, LLC and DMP New York, Inc. (Williams) for a Certificate of Environmental Compatibility and Public Need in Case 13-T-0538 is filed or otherwise in compliance with Public Service Law §121-a(3) and our regulations.

By letter dated December 16, 2013, I informed you that a number of deficiencies were found in the documents submitted by Williams on December 2, 2013. Subsequently, Williams submitted a supplement on January 17, 2014 that cured the deficiencies; the documents submitted are in compliance with Public Service Law and our regulations as of that date.

Very truly yours,

KATHLEEEN H. BURGESS
Secretary
