Dear Mr. Colpitts,

The Town of Windsor Planning Board has reviewed your application to the DEC for a 2.9-acre topsoil mine off McNair Road in the Town of Windsor.

This letter and the attached minutes are to advise you of the Planning Board's concerns regarding the possible deposit of dirt and dust on towns roads, as prohibited by Section 43 of our Town Code (LL #3-2009).

If you have any question regarding this you may contact Code Enforcement Officer David Brown at 1-607-655-2800.

Thank you in advance for your cooperation.

Respectfully,

Bruce Cameron, secretary
