## ***WINDSOR BAND CONCERTS***

**Friday evenings at 6:30PM**

**On the Village Green**

**June 29-August 24, 2018**

## **Welcome to Broome County's Oldest Village Green!**

This is your 2018 concert schedule for the whole summer! We're also on the web and in the Windsor Standard and the Press & Sun Bulletin newspapers. Some folks these days even use their smart phones take a picture of the concert schedule.

Thank you for supporting the local organizations providing refreshments each week. All refreshment committees operate, and make any profit, separately from the actual Band Concerts.

At the **July 13<sup>th</sup>** concert, Windsor's Boy Scout Troop 68, assisted by Pack 68 and our local Girl Scout Troop, will perform a **Flag Retirement Ceremony** right on the Village Green.

This year we will enjoy a special performance by Windsor Girl Scout Angelina Barton who will bring to life "*The Defense of Fort McHenry*" by Francis Scott Key.

As always, we invite our friends from American Legion Post 571 and any other Veterans to help us retire our flags in the dignified manner they deserve. Accompanied by patriotic music from the Mountain Aire Brass Band, this annual event has become a very special tribute to America and her Veterans and is enjoyed by all.

Please feel free to bring your own flags to retire.

In the past we've had U.S. flags of all sizes and years, POW/MIA flags, State flags, Bicentennial flags and many more.

Adjacent to the Village Green is the historic Windsor Community House. Restrooms can be found on the first floor by using the access ramp at the back door. The Community House is also the home of our **Windsor Public Library**. Library hours, news, and upcoming events can be found on their Facebook page and the Town and Village of Windsor websites.

In case of a **Friday night rainstorm**, *the show will go on!*

The Band Concert and refreshments will be held in the **Presbyterian Church** on the Green that evening.

**See you on the Village Green!**  
*(don't forget your lawn chairs)*
