To Members of the Historic Windsor Advisory Committee,

I have made the decision to step aside as coordinator of the history committee effective October 1st. It has been an honor these past five years to have worked with other Windsor people whose love of local history has helped in establishing a History and Genealogy Room at the Town Hall, putting out a picture postcard book of Windsor 100 years ago, creating a kiosk at the old Onaquaga Bridge of the early history of the valley, and so much more.

My hope is that the advisory committee will continue to serve a valuable purpose in the Windsor community and that someone will step forward to take on the running of it. I do intend to remain involved with the committee by working in the History Room, along with Linda Pierson, in a continuing effort to organize and update the files and properly preserve the town's archives.

As the motto of *Echo*, the Windsor Academy Yearbook, proclaimed many years ago:
"Let the Past Ever Speak to the Present."

Sincere regards,

Eileen Ruggieri
