

Thank You Responsible User

When an alarm went off on a grinder pump, a responsible user did exactly what needed to be done. He hit the gray silencer button at the bottom of the panel and had a call placed to the Supervisor's Office at 655-2026.

As was pointed out in the August 29, 2013 Newsletter, grinder pumps sound an alarm when pumps reach a high level of approximately 47 gallons. A rush of storm water can cause the alarm to go off. Also, when the electricity has gone off and is restored, the grinder pump alarm may sound.

Be a good neighbor like this responsible user and hit the gray silencer button at the bottom of the panel when you hear the alarm. Then call Carolyn Price, Town Supervisor, at 655-2026 or 655-1921 or Tim Bates, Town Councilman, at 775-0529 so a service provider can be called for you.

Sump Pumps, Downspouts

In the last newsletter it was pointed out that the Town Ordinance Sewer Installation and Use Law Chapter 48 prohibits sump pumps and downspouts from being hooked up to the sewer.

During a recent storm the flow to the plant jumped from 34,000 gallons to 133,000 gallons! This is a strong indicator that sump pumps and/or downspouts are hooked up to the sewer.

The Town will be moving ahead with tests to determine if there are illegal connections such as sump pumps and downspouts.

2015 Budget

The first discussion of the 2015 budget will be held at the Town Board meeting on Wednesday, August 13, 2014 at 7:00 pm in the Town Hall, 124 Main Street, Windsor, NY 13865. It is anticipated that the budget discussion will include a new financial plan. You are most welcome to attend this meeting.

Staffing Changes

Catherine Aingworth and Craig Matias will be leaving their positions as Wastewater Treatment Plant Operators. Cathy and Craig have been with the plant since it opened and have done an outstanding job. We deeply appreciate all their efforts. Donald Sherwood will be staying on and become the lead operator. The Town Board will be appointing two new Wastewater Treatment Plant Operators at their meeting on June 11, 2014 at 7:00 pm, Windsor Town Hall, 124 Main Street, Windsor, NY 13865.

Payment of Sewer Rents

The June 1st bill must be paid no later than July 7th (post marks accepted) in order to avoid a penalty.
