The June meeting of the Town of Windsor Planning Board was not called to order. Members present were Carl Gordon, Eve Neureuter, Doug Saunders, Fran Stone and Jerry Henehan. Chair Shelly Johnson-Bennett had a scheduling conflict and was not in attendance. Town Code Enforcement Officer, Dave Brown was out of town and was not present.

The members waited until 8:35 before deciding to cancel the meeting as no members had access to the building and no one was there to present business.
