Code Department Report, June, 2022

Permits issued:

1 permit renewal for new residence
1 demolition permit renewal
1 permit for commercial
renovation/addition
5 exterior decks
2 renovation and or repairs

2 stop work orders for work being performed without permits.

1 zoning violation issued
2 property maintenance violations.

Work in the township is seeing an increase as lumber prices seem to be stabilizing. Several property subdivisions are going through the necessary review process. We have been working with the NYS DEC addressing the ongoing quarry permitting process, some process is being made. We are going to have to address the old legion hall building on Kent Street, as the new owners are proposing a possible catering hall or rental facility which aren't allowed in the present zoning.
