

Part 1201. Uniform Code: Procedures for Certain Classes of Buildings

Section 1201.1. Introduction

In general, section 381 of the Executive Law directs that the State's cities, towns and villages administer and enforce the New York State Uniform Fire Prevention and Building Code (Uniform Code). However, the statute contemplates the need for alternative procedures for certain classes of buildings based upon their design, construction, ownership, occupancy or use, and authorizes the Secretary of State to establish those procedures. Those exceptions are the subject of this Part.

Section 1201.2. Governmental buildings and activities

(a) A city, village, town or county will be accountable for administration and enforcement of the Uniform Code with respect to buildings, premises and equipment in the custody of, or activities related thereto undertaken by, the respective city, village, town or county.

(b) A city, village, town or county shall be accountable for administration and enforcement of the Uniform Code with respect to buildings, premises and equipment in the custody of, or activities related thereto undertaken by, any special purpose unit of local government created by or for the benefit of the respective city, village, town or county.

(c) A county or a city which participates in a regional off-track betting corporation established pursuant to article V of the Racing, Pari-Mutuel Wagering and Breeding Law shall be accountable for administration and enforcement of the Uniform Code with respect to buildings, premises and equipment in the custody of, or activities related thereto undertaken by, such corporation, whenever such buildings, premises, equipment or activities are located or occur within the boundaries of the respective county or city.

(d)

(1) The State shall be accountable for administration and enforcement of the Uniform Code with respect to buildings, premises and equipment in the custody of, or activities related thereto undertaken by, a State department, bureau, commission, board or authority.

(2) Without limiting the generality of the provisions of paragraph (1) of this subdivision, the State shall be accountable for administration and enforcement of the Uniform Code with respect to all statewide wireless network facilities (as the term is defined in section 1204.3[j] of this Title) and all activities related thereto undertaken by the Office for Technology; provided, however, that nothing in this paragraph shall be construed as subjecting to the provisions of the Uniform Code any statewide wireless network facility that would not otherwise be subject to the provisions of the Uniform Code.

(3) In the case of a statewide wireless network facility (as that term is defined in section 1204.3[j] of this Title) which is constructed or installed on or in a statewide wireless network supporting building (as that term is defined in section 1204.3[k] of this Title):

(i) the State shall be accountable for administration and enforcement of the Uniform Code with respect to such statewide wireless network facility and all activities related thereto undertaken by the Office for Technology, but the State shall not be accountable for administration and enforcement of the Uniform Code with respect to such statewide wireless network supporting building;

(ii) the governmental entity that would have been accountable for administration and enforcement of the Uniform Code with respect to such statewide wireless network supporting building if such statewide wireless network facility had not been constructed or installed thereon or therein shall remain accountable for administration and enforcement of the Uniform Code with respect to such statewide wireless network supporting building, but such governmental entity shall not be responsible for administration and enforcement of the Uniform Code with respect to such statewide wireless network facility; and

(iii) the State and such governmental entity shall consult with each other and fully cooperate with each other in connection with the performance of their respective administrative and enforcement obligations, and in particular, but not by way of limitation, the State shall make all records in its possession pertaining to such statewide wireless network facility available to such governmental entity upon request by such governmental entity, and such
