Code Department Report, August 2022

- 1 permit for new residence
- 3 permits for additions and/or remodeling
- 4 permits for pole barns or garages
- 2 swimming pool
- 1 driveway permit
- 1 demolition permit
- 3 permits for new decks or addition to existing
- 1 permit renewal, new residence

August saw an increase in activity in the office. Residents are increasingly seeking information on building and zoning issues. Several proposed subdivisions have been brought in for review. I've been staying busy with inspections of outstanding permits and other work in progress, answering assorted inquires and trying to direct residents to the proper agencies for either answers or information.
