Re: 2022 Annual Education Requirements

Please be advised that the Office of Justice Court Support has advised me that our Town and Village and Court Clerk Database is undergoing some updates. The annual education certificates for 2022 are **NOT** being distributed via email. They will be available after 12/31/22. I have completed all 12 courses required plus an addition 2 courses.

Just wanted to ensure the Board that my 2022 Educational requirements are complete.

Sincerely,

Fredric Stapleton
Town Justice

Subject: RE: Course Credit Update 2022

Good Afternoon Hon. Stapleton,

You are in compliance with your 2022 Judicial training.

Please be advised that our Town and Village Judicial and Court Clerk Database is undergoing some updates. At this time, annual education certificates for 2022 are not being distributed via email. However, we are still tracking all course credits and your judicial or court clerk record will be updated accordingly. MyCJE and MyCCE remain unaffected and we encourage you to utilize the online education websites to complete your annual education requirement.

As soon as the Database updates are complete, we will resume sending out 2022 certificates of completion. You will receive your certificate via your nycourts.gov email account. We are hopeful that this will happen prior to December 31st.

Thank you for your patience and anticipated cooperation.

Subject: RE: Course Credit Update 2022

Cyclicie , If its not to much trouble could I get a short letter stating that I have completed all my courses and that there is a problem issuing the completion document. This is so I can forward it to our town board. Thank you, Fred Stapleton
Town Justice.
