

9 January 2023

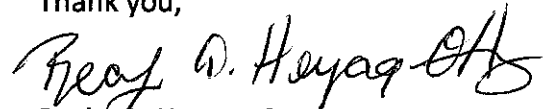

Town of Windsor Board Members:

For the month of December, I was busy taking in all exemptions (Enhanced STAR, Low Income Senior, Veterans, Disability, Forest and Agricultural Exemptions) during the week and inputting all the exemptions into the computer. I took some time off around the holidays to reset before the busy time comes.

First few days in January have been extremely busy. I have done 5 apportionment letter already. Apportionment letters are taxpayers that have split up their parcel after March 1st and they want their tax bill split up. I have also done the Millennium Pipeline and Northland Power Fire district bill letter.

Every Saturday in the month of January and February, I will be going out on the road weather permitting. Trying to lighten my load for March and April. 🌍

Thank you,

Becky A. Herzog-Ottens

Town of Windsor Assessor
