December  
2022  
Operational Update

Elected Officials,

During the month of December, our agency was dispatched to 157 calls for service. Out of the 157 calls for service, our agency was able to respond to 135 of them. Our overall response percentage for the month was 87.66 percent.

2022 was a record setting year for our agency. In total, we were dispatched to 1,545 calls for service. This is a 234 call increase compared to 2021.

Our new 2022 Crestline Ambulance is in-service that replaced our 2006 Braun. Our other new ambulance that has been on order since December of 2021 is finally about to be built. The chassis has arrived and construction on it should be starting next month. This Medix ambulance is slated for delivery in the late Spring or early Summer. The Medix will be replacing our 1999 Horton.
