Richard Osborne
Code Enforcement Officer
Town of Windsor

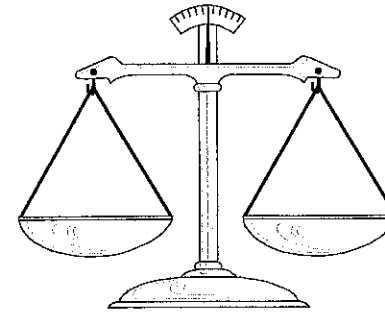

Report for Town Board Meeting for January
2023

Slow month as far as permits are concerned,
issued 6 permits for the month;

- 1) Cottage repairs and remodel
- 2) Addition to existing residence (seasonal)
- 3) Front deck (started with no permit)
- 4) Roof over rear patio (also started with no permit)
- 5) Installation of temporary storage boxes
- 6) Addition to existing garage

Most of my time was spent dealing with a contractor who started several projects without proper permits in place and not following NYS Building Code. I'm still dealing with several property maintenance violations with some compliance. Met with organization and planning department proposing property development in the township.

Filled out and submitted yearly activity logs for New York State, Broome County, and annual census questionnaire.
