Town of Windsor

Report for Town Board Meeting for February  
2023

Another slow month for the issuance of permits, 2  
building permits are in the process  
1 driveway permit was issued

We have several property maintenance violations  
that are working their way through the system.

Presently, there is a case coming up before the  
zoning board for a use variance.

I've been working with Broome County on several  
properties that are located on county roadways that  
we feel are a safety hazard and that we have  
received complaints about.

There are a couple of violations that were issued  
that the owners are trying to resolve.
