Report for Town Board Meeting for March
2023

Month started out slowly, but we ended issuing 5 total permits. 2 of the 5 building permits were to satisfy violation notices that were issued for building without a permit.

1 permit renewal

1 unattached garage

1 roof over existing deck

We are still working on several zoning and property maintenance issues to various degrees of success.

I've met with the zoning and planning boards to try and start possibly upgrade or redefine several recurring issues.

One of the biggest problems that I seem to have is tracing down ownership of some of the properties that experience maintenance violations.
