Town board Building Report April 2023

April started out as a slow month, but as temperatures increased, so did the issuance of permits.

- 1.2 Storage barns/buildings
- 2.1 Demolition permit
- 3.1 Permit renewal
- 4.3 residential additions
- 5.3 new decks or replacements
- 6.1 single family residence (on hold waiting for septic design)
- 7.1 swimming pool
- 8.1 lean to garage addition

3 of the permits that were issued were for building code violations of construction without a building permit.

Several projects are starting to work their way through the planning and zoning boards.

We have been working with the boards to address several issues with our zoning books to update and include changes that have been adopted.
