Subject: Broome County Small Community Fund

Good morning,

Thank you for your application for the Small Community Fund. We enjoyed reading about your project and we appreciate the time you took to apply.

Determining which projects to fund is always a difficult decision and is based upon many factors. I regret to inform you that your project was not selected for funding this round. This year we received an unprecedented number of applications totaling over \$4.25 million in requested funding. Unfortunately, the County does not have the resources available at this time to provide funding to each worthy project. Please keep an eye on our webpage for future funding opportunities.

Thank you for your participation in our Community Improvement Grants program. I wish you the best of luck in pursuing your goals.
