

July 6, 2023

Town of Windsor Board Members:

For the month of June: I was organizing my office from the crazy few months before and filing the final assessment roll.

In the middle of July, I will be going to classes at Cornell. The New York State Assessor's Association puts on week long classes in Ithaca every July. It's a great way to get your continuing education and talk to other assessors in the state.

Thank you,

A handwritten signature in black ink, appearing to read "Becky A. Herzog-Ottens". The signature is written in a cursive, flowing style.
