To whom this may concern,

Re: Commencement of Commercial Operations, New Contact Information

We would like to inform you that the **Bluestone Wind Project** is progressing toward commencement of commercial operations which will take place by October 31.

You are receiving this letter because you are a participating landowner, a neighbor or a project stakeholder who has requested regular updates on the project.

Kindly be advised we will be entering the **operations phase** of the project, and the updated contact information is below for any inquiries you may have.

We would appreciate it if you could call to make an appointment prior to visiting the O&M Building to ensure we are available to assist you.
