Town of Windsor Board Members:

For the month of December, I was busy taking in all exemptions (Enhanced STAR, Low Income Senior, Veterans, Disability, Forest and Agricultural Exemptions) during the week and inputting all the exemptions into the computer. I took some time off around the holidays to reset before the busy time comes.

For the month of January, I was extremely busy. I did 4 apportionment letters. Apportionment letters are taxpayers that have split up their parcel after March 1st and they want their tax bill split up. I have also done the Millennium Pipeline and Bluestone Wind LLC Fire district bill letter. Millennium Pipeline will be back on the tax rolls this year so we get the full amount on taxes. 😊 I have been busy with exemptions. I also sent out my second notices for my low income seniors, so hopefully they will return all exemptions to me before March 1st.

Every Saturday in the month of January and February, I have been going out on the road. Trying to lighten my load for March and April. 😊

Thank you,

Becky A. Herzog-Ottens
