Description **BOSS V XT Plows Features Include:**

- o SmartHitch 2 Flip, plug, click. The three-step attachment process makes it easy to switch between plows.
- o SmartLight 3 L.E.D with Ice Shield Technology shines brighter and farther than traditional halogen systems with best-in-class 100% L.E.D. lighting.
- o SmartTouch 2 Our high-tech, ergonomic control features large, backlit buttons for ease of use.
- o SmartShield Delivers superior corrosion protection and a long-lasting, high gloss shine.
- o Full Moldboard Trip Design helps to prevent plow damage when an obstacle is encountered.
- o 1/2" X 6" High-Performance Cutting Edge built using HARDOX® wear plate to provide extended wear resistance and comes with built-in curb guards and snow catcher.
- o Snow Catcher in the center section is designed to catch snow at the plow's pivot point-so no snow lines are left behind.
- o Reinforced Moldboard increases blade rigidity for increased durability.
- o Heavy-Duty Push Frame And Center Section for additional strength and reliability.
- o High-Performance Hydraulic Package delivers reliability and speed.
- o SmartLock Cylinders keeps blades straight when backdragging.
- o Enclosed Hydraulics protects against corrosion and hydraulic freeze-up.
- o Chainless Hydraulic Cylinder Lifting System greatly reduces bounce during transport and provides full float capability.
- o Two-Year Limited Warranty protects against material defects for peace of mind.
