This past month has seen activity increase. Complaints from several of the quarries has been on the increase, mostly concerning dynamiting and increase in truck traffic. Apparently, the town's plans on a local law to address the quarries hasn't progressed.

Several projects in the existing flood plain are on going with the appropriate flood plain management permits.

Permits issued;

- 2 permit renewals
- 2 single family residences
- 2 demolition permits
- 3 residential garages
- 2 foundation repairs
