Town of Windsor Board Members:

For the month of April, I was extremely busy finishing up all my assessment work between new construction, reassessments, new splits and combinations. I also reassessed all the stone quarries in the town. It's been a long time coming on the stone quarries. I have gotten enough sales and it was time to reassess them all. I have attached the list of all the changes. I sent out over 200 change of assessment notices.

Tentative Roll came out May 1st. We will see how busy I am in the month of May, since grievance day is Tuesday, May 28th from 2 -4pm and 6-8pm.

Thank you,
