**Report for Town Board Meeting for April
2024**

Activity has been increasing with the milder temperatures. Town garage is progressing and appears to be on schedule. Met with the planning department on several issues that are working their ways through the system.

Issued a total of 14 permits for the month;

- 1) Permit renewal for a home renovation
- 2) 1 driveway permit on Barnes Rd.
- 3) 4 pole barns and/or garages
- 4) 2 decks
- 5) 1 shed
- 6) 3 single family homes
- 7) 2 manufactured housing units

I've been assisting several parties with the subdivision process and one entity on a possible new campground type of establishment.
