Richard Osborne
Code Enforcement Officer
Town of Windsor

Report for Town Board Meeting for May 2024;

Activity has been brisk this past month with a total of 20 permits issued

- 4 driveway permits
- 4 pole barns/garages
- 1 demolition
- 1 swimming pool
- 6 decks
- 1 shed
- 1 foundation repair
- 1 permit renewal
- 1 single family home

Staying busy with continuing inspections on open building permits, and inspections on the town highway garage, which should be wrapping up soon.

I was asked to attend a meeting at the Beaver Lake Association to address the quarry activity next to the lake. Also discussed building permit requirements for new construction and repairs to the existing cottages around the lake.

As always, we have been assisting residents with their concerns and questions to various building and zoning questions and concerns.
