Town of Windsor Board Members:

For the month of May: I was busy with people coming in to see me about their assessments and grievance day. A lot of them were the stone quarries and gravel pits, which I knew was going to happen and I was prepared. Grievance day was May 28th and it went well. We had 13 grievances; we had a busy grievance day. The board did lower some and I wasn't happy on some, but it is what it is. They have the final say.

Normally, over the summer months is my "down time". I tend to get my office organize and do my yearly training in July. I will also be taking a few days off at the end of July for vacation.

Thank you,
