

I would like to thank you for participating in the 2025 Summer Youth Employment Program.

We can't thank you enough for everything you've done to support this program by working with and mentoring the youth. For many of the youth, this was their first job experience and we thank you for helping them learn the value of work and the skills they will need to maintain a job. We couldn't run this program without all of you!

We appreciate any feedback that you can give us on the program. We are always looking for ways to improve and provide youth with valuable career/job skills.

We look forward to working with you again next summer!
