Report for Town Board Meeting for August 2025;

Permits activity is still pretty active with 16 permits issued this month:

- 1) 2 single family homes (stick built)
- 2) 3 decks
- 3) 1 residential renovation
- 4) 1 manufactured home
- 5) 1 standby generator
- 6) 2 roof replacements or roof addition
- 7) 1 permit renewal
- 8) 1 shed
- 9) 1 pavilion
- 10) 1 driveway permit
- 11) 1 roof mount solar array
- 12) 1 sewer hookup

Keeping up with in progress inspections as warranted.

I've been approached by several residents as to possible ADU,s in the township. Present code does not permit their construction. This might be an item the town might want to address.

Answering questions concerning the solar moratorium and progress being made by the planning board.
