Town of Windsor Board Members:

The month of October has been quiet. I actually got my renewal applications for Senior STAR, disability, and Agricultural renewals in the mail. So, they can come in and see me before the weather turns. They have until March 1st to hand them in. I have helped out some people get their STAR credit check, I had to call NYS for them. There are still taxpayers that have NOT received their STAR check. It's horrible.

The first week in October I went to the NYSAA Fall Conference. There was a lot of information that was cramped into two days.

Thank you,
