Subject: Letter of Interest for Planning Board Member

Dear Shelly Johnson-Bennett,

I am writing to express my strong interest in serving as a member of the Town of Windsor Planning Board. As a resident of the Town of Windsor for four years, I am deeply invested in the thoughtful and sustainable development of our community and believe my professional experience and perspective would be a valuable asset to the board.

My background in Project Planning for IT projects for major stakeholders has provided me with a diligent understanding of the principles that guide future planning, development and preservation. In my role as a Senior IT Engineer at Guthrie, I am responsible for managing complex infrastructure upgrade projects with multiple stakeholders while maintaining the strictest compliance and governance. I am confident that these skills in analysis, collaboration, and project management would allow me to contribute effectively to the board's decision-making process.

My personal goals as a town resident align with the board's vision of preservation of the town's sustainability while pursuing economic development. Acting as a board member would be a great opportunity to have a more direct role in shaping the future of Windsor.

I would appreciate the opportunity to discuss my qualifications and how I can best serve the Town of Windsor Planning Board. Thank you for your time and consideration.

Sincerely,

Andrie Moore
