**Report for Town Board Meeting for November**  
**2025**

Activity has been slowing down with the holiday season and weather. We issued 8 permits for the month.

- 1) Permit renewal
- 2) Demolition of mobile home
- 3) Fire damage repairs
- 4) Seasonal cabin
- 5) Roof mount solar array
- 6) Driveway permit
- 7) 2 pole barns/ storage buildings

Issued several building maintenance violations. One was for the mobile home that was removed and cleaned up. Second was for a continuing problem on Mountain Road. This one was met with some success finally, the owner or resident started to perform the clean up as requested.

Assisted the highway department with the removal of parked cars along the town's right of way.
